Blade Kitten: Dirty Angels 1

Kit Ballard & Justice Kreele in the team-up they hoped would never happen. Two rival breakers with one common goal. Bring in

the baddest of the bad to collect the huge rewards... I mean, clear evil off the streets! That is if they can put their differences
aside long enough to not kill each other first!

Out of the frying pan and into the fire! Kit and Justice escape one problem only to quite literally drop into a new one. Who is
the maiden in the iron mask? It's up to our Dirty Angels to work it out.

Dirty Justice Comic Pack

This pack contains the collection of issues (1-3) in *Lucky Skiff* and the latest issue (#4).

Straight from the world of Blade Kitten comes *Dirty Justice*, the misadventures of Justice Kreel. Read the story behind the
feistiest bounty hunter in the galaxy and join Justice as she becomes embroiled in a mystery that spans decades and involves her
in ways she could never have expected.
